Request for Variance

Name: _____

Date: _____

Address: _____

Block # _____

Per the Rules & Regulations:

XI. DOCK VARIANCES

A. GENERAL: The Space and Dock Committee may in unusual circumstances grant variances of the rules respecting the size, placement, number and construction of docks and walkways by following the procedures set forth below.

B. DOCK VARIANCE PROCEDURE:

1. Any Member desiring a rule variance respecting the size, placement, number, and/or construction of his or her dock(s) or walkway(s) may apply for the same by submitting a written request to the Space and Dock Committee. Such requests shall describe clearly the variance that is being requested and shall summarize clearly the reason(s) justifying the variance.

1. Description: _____

2. Reason: _____

Drawings, pictures and additional information to be attached.
